## A BILL

To expand the boundary of the Snoqualmie National Forest, and for other purposes.

1       *Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

1   **SECTION 1. SHORT TITLE.**

2       This Act may be cited as the “Snoqualmie National  
3   Forest Boundary Adjustment Act of 1996”.

4   **SEC. 2. FINDINGS.**

5       The Congress finds the following:

6           (1) Certain private lands in the State of Wash-  
7       ington presently owned by Weyerhaeuser Company  
8       and others are located adjacent to the Snoqualmie  
9       National Forest and are logical extensions of the  
10      forest.

11          (2) A boundary adjustment will facilitate a land  
12       exchange which involves approximately 7,200 acres  
13       of National Forest land and 33,000 acres of private  
14       land owned by Weyerhaeuser Company, of which  
15       6,278 acres are outside the present Snoqualmie Na-  
16       tional Forest boundary.

17          (3) Weyerhaeuser Company and the Forest  
18       Service are prepared to exchange these lands, which  
19       will benefit both the United States and  
20       Weyerhaeuser by consolidating their respective land-  
21       ownership holdings and providing reduced costs for  
22       each party to implement their land management ob-  
23       jectives, providing an opportunity to implement more  
24       effective ecosystem based management, providing in-  
25       creased recreation opportunities for the American  
26       public, providing enhanced fish and wildlife habitat

1 protection, and supporting the “Mountains-to-the  
2 Sound” goal of a continuous greenway between the  
3 Cascade Mountains and Puget Sound.

4 **SEC. 3. BOUNDARY MODIFICATION.**

5 (a) IN GENERAL.—The Secretary of Agriculture is  
6 hereby directed to modify the boundary of the Snoqualmie  
7 National Forest to include and encompass 10,589.47  
8 acres, more or less, as generally depicted on a map entitled  
9 “Snoqualmie National Forest Proposed 1996 Boundary  
10 Modification” dated *July 1, 1996*. Such map, together  
11 with a legal description of all lands included in the bound-  
12 ary adjustment, shall be on file and available for public  
13 inspection in the Office of the Chief of the Forest Service  
14 in Washington, District of Columbia.

15 (b) RULE FOR LAND AND WATER CONSERVATION  
16 FUND.—For the purposes of section 7 of the Land and  
17 Water Conservation Fund Act of 1965 (16 U.S.C. 460l–  
18 9), the boundary of the Snoqualmie National Forest, as  
19 modified pursuant to subsection (a), shall be considered  
20 to be the boundary of that National Forest as of January  
21 1, 1965.
